If you prefer Second or Third Day delivery, please make a note on first page. We will contact you with actual cost before processing your order.

As the regulations for wine deliveries vary from state to state, we will contact you for detailed delivery arrangements. In some states we can legally ship direct to you. In others, we need to go through a 3-Tier system.

If you have any special requests, please note them on your order, or email us at sales@prettysally.com

Cheers!
